

CLOS TROTELIGOTTE, EMMANUEL RYBINSKI CAHORS MALBEC "KOR" 2017

The family vineyard, entirely replanted in 1987 by Emmanuel's father, is a single block of 29 acres located on the unique plateau of iron-rich limestone of Villesèque, small village situated at an elevation of 1400 feet. This terroir of altitude offer a stunning point of view of the whole valley of the Lot River and is certainly the most fascinating location in Cahors vineyard.

Certified organic since 2014 and **Certified Biodynamic** since 2017.

Each of Emmanuel's wines is the expression of a single parcel selection showcasing the different level of concentration of iron in the soil. Each cuvée's name is a word starting with a "K", the first syllabus of Cahors. K-or display both syllabus of Cahors and was the first cuvee of this all line to be created.

SOIL TYPE _____

Called "Sidérolithique" this Terroir is specific to Cahors and accounts for less than 10% of the all appellation. It consists of clay and sandstone with a high iron content. Vineyard located on the plateau at high elevation.

VARIETAL _____

100% Malbec / Old vines of the domain / 40 hl/H

CULTURE _____

Organic treatment such as Trace element, essential oils as well as infusion of horsetail and nettle manure. Natural compost from their own farm. Natural grass cover between the row, strict de-budding, green harvest if necessary, thinning-out of leaves around the grape.

VINIFICATION _____

Cold prefermentary maceration during 5 days at 50 degrees in order to reveal the subtle fruity aromas. Long fermentation at low temperature during 10 days with manual punching of the cap. Natural yeast. Maceration during 30 days with temperatures controlled. Ageing for 6 Months in cement vats

TASTING NOTES _____

It has black-currant flavors that are packed with both fruitiness and balanced acidity. The organic grapes give a pure line of ripe fruits that are going to integrate well with the tannins
