

CLOS TROTELIGOTTE, EMMANUEL RYBINSKI
CAHORS MALBEC "K-BO"
2018

The family vineyard, entirely replanted in 1987 by Emmanuel's father, is a single block of 29 acres located on the unique plateau of iron-rich limestone of Villesèque, small village situated at an elevation of 1,400 feet.

Certified organic since 2014 and **Certified Biodynamic** since 2017.

The name "K-BO" has multiple meanings. First, it follows the visual of the entire line of wines of the estate that are all given names starting or finishing with a "K", the first syllabus of Cahors. Second it's a reference to the "carbonic maceration" that is commonly nicknamed "Carbo" in the wine world. And finally it refers to the word "Cabot" which can be used in French to name a stray dog but as well a river fish similar to Mullet hence the dogfish on the label...

SOIL TYPE _____

On the plateau of Cahors made of Clay and "Siderolithique" limestone . Iron rich type of soil that gives finesse and texture.

VARIETAL _____

100% Gamay – Yield: 40 hl/H or 2 ton/acre

CULTURE _____

Organic treatment such as Trace element, marine algae (Photosynthesis), Orange terpene (Mildiou/Oïdium) & sulfur.
 Disbudding in June, Grape removing in July. Natural grass cover between the row. Manual harvesting with parcel selection.

VINIFICATION _____

Carbonic maceration. Fermentation at cold temperature with native yeasts and without SO2 in thermoregulated concrete vats.
 Ageing in concrete vats without SO2.
 Only 10mg of SO2 per liter added at the bottling. 150 cases produced.

TASTING NOTES _____

Gamay "Glou-glou" at its best. Pure and bright cherry fruit with lively acidity. There is life in this "natural" wine. The finish linger between sour fruit and ripe berries. The iron-rich Terroir signature is putting a final touch to this beauty of a wine. A good reminder that wine is made from grape fruit !

From the same Winery :

- "K-libre", Vin de France Chardonnay & Chenin Blanc
- "Delit-K", Côte du Lot IGP 2015 (Rosé)
- "K-pot" No SO2 Cahors-Malbec 2018
- "K-or" Cahors-Malbec 2018
