

CLOS TROTELIGOTTE, EMMANUEL RYBINSKI
MALBEC ROSÉ "DÉLIT K"
2015

The family vineyard, entirely replanted in 1987 by Emmanuel's father, is a single block of 29 acres located on the unique plateau of iron-rich limestone of Villesèque, small village situated at an elevation of 1,400 feet.

Certified organic since 2014, in Biodynamic conversion.

The name "Délit-K" has multiple meanings. First, it follows the visual of the entire line of wines of the estate that are all given names starting or finishing with a "K", the first syllabus of Cahors. Second "DelitK", or "délicat", is the French for "delicate", all about this wine is. And finally "Delit" which means "offense", since this Rosé is made not following any standard, so against the preset rules of usual Rose wines.

The mug shot is another nod to the "offense" part of the name.

SOIL TYPE _____

On the plateau of Cahors made of Clay and "Siderolithique" limestone . Iron rich type of soil that gives finesse and texture.

VARIETAL _____

100% Malbec

CULTURE _____

Organic treatment such as Trace element, marine algae (Photosynthesis), Orange terpene (Mildiou/Oïdium) & sulfur.
 Disbudding in June, Grape removing in July. Natural grass cover between the row. Manual harvesting with parcel selection.

VINIFICATION _____

Skin contact maceration of few hours. Fermentation without SO2 with native yeast. 18 months ageing in concrete vats on fine lees.
 Only 10mg of SO2 per litter added at the bottling. 400 cases produced.

TASTING NOTES _____

Displaying red cherry and citrusy notes on the nose. The mouth is all about little red berries with a full and mellow texture. Tender in the finish the lively tannins remind us that Malbec is in the bottle! A lingering acidity is balancing the taste offering a refreshing finish. Totally dry Rosé.
