

MOULIN DE GASSAC "FAMILLE GUIBERT"
GUILHEM RED - PAYS D'HÉRAULT IGP
 2018

Moulin de Gassac, or windmill over the Gassac River, is the entry line of the iconic estate Mas de Daumas Gassac. Considered by many as the greatest estate of the Languedoc region, "A Lafite in the Languedoc", they are known to be at the origin of the rebirth of the region.

A carefully selected group of farmers, who are instructed to farm with organic practices, are providing them with top quality fruits that come in the production of this line of white, rosé and red. Personnel from the estate harvest and vinify in winemaking facilities located next to the plots in order to preserve the most genuine quality of the place.

On the front label you'll see written "Un Vin Comme Autrefois", a wine like in the old days, to emphasize what makes this wine unique, a constant respect of the local tradition that shaped the Languedoc over centuries.

"Guilhem", Gaelic version of William, is a tribute to a local monastery based at Saint-Guilhem-le-desert whose monks launched the wine production in the region. St. Andrew's cross is here to remind us the Gaelic heritage.
